Succession Planning Framework

In 2014 Community Living Association Inc supported The School of Social Work and Human Services, University of Queensland and The Australian Centre for Health Law Research, Queensland University of Technology to contact parents who agreed to engage in the study ‘Journeying into the Future’ - Parents Succession Planning for their Adult Children with Cognitive Impairment. CLA has also hosted succession planning information nights for parents with a specialist lawyer.

The framework below indicates elements to consider Succession Planning:

The elements in this diagram all need to be considered, they will vary for each person.

A starting point could be to bring together a planning team of trusted people.

Visualise the preferred future. Seek professional including legal advice.
