

# SEEKING EXERCISE PROFESSIONAL

Community Living Program (CLP) is seeking someone experienced in developing and running exercise programs to support us in starting a gentle exercise group.

The group would be run on Tuesday afternoons at 3:30pm and will consist of up to 10 members.

CLP supports adults with an intellectual disability who live in their own homes in the community. Our constituents have recently been talking to us about wanting to be more active.

The suitable person would need to be:

- flexible and gentle in their approach
- encouraging and patient

If you are interested, please contact Zach or Kelly at CLP on (07) 3266 5633.
